SUBJECT: Planning and Programming Bulletin #7

1. Dates and times for initial reviews of the FY 1971-1975 Program inputs have been arranged so that the DD/S&T can discuss the program of each Office and provide guidance. Some of the review dates have been changed from those indicated on the Schedule of Events; therefore, we request that submission of drafts be advanced where necessary.

2. For your convenience, the new schedule of dates for draft inputs and dates and times for reviews are shown in the following table.

	<u>Drafts</u>	<u>Review</u>	
OSA	8 January	14 January	1030
OSP	9 January	15 January	1030
OEL	8 January	15 January	1400
ORD	13 January	22 January	1000
FMSAC	10 January	16 January	1000
OSI	10 January	16 January	1100
OCS	6 January	14 January	1400
DDS&T	7 January	13 January	1600

3. Several inquiries have been received about the appearance and arrangement of the drafts. We would like to have two xerox copies of your draft so that we can begin to arrange a master copy and then return one to you with corrections and suggestions after the reviews. The drafts need not be done in formal form, e.g., you may use correcting tapes, erasures, etc. We need information at this time much more than finished copies.
